FROMM APPLIANCE & LIGHTING SOLUTIONS

Fromm is the construction market's number one source in Eastern and Central Pennsylvania for residential lighting, appliances, dimming controls and home comfort technology. Fromm provides planning and design phase consultations for new homes and renovation projects.

We represent top name brands and offer the most current styles, amenities, and technologies. Our expertise ranges from managing the entire electrical/appliance portion of tract homebuilder packages to participating in the design and layout of high-end custom projects.

FROMM IS AN ACTIVE MEMBER OF THE FOLLOWING ORGANIZATIONS:

- Harrisburg Home Builders Association (HBA)
- National Association of Electrical Distributors (NAED)
- American Lighting Association (ALA)
- National Association of the Remodeling Industry (NARI)
- National Kitchen & Bath Association (NKBA)
- Affiliated Distributors (AD)

Our staff has a solid reputation for its creative vision as well as its extensive product knowledge. From lighting solutions to dimming systems, and home comfort products to complete appliance design, we always aim to capture the look the customer wants within their specified budget. We work with builders, developers, architects, interior designers, specifying engineers, landscapers and contractors, as well as homebuyers embarking on their dream project.

Fromm's product offering goes well beyond basic lighting and appliances, and includes a variety of home comfort products like central vacuum systems, floor tile heating, ironing centers, and lighting scene controls.

AVAILABLE SERVICES INCLUDE:

- Appliance Consulting & Layout
- Lighting Design
- Dimming Control Systems Specifications & Design
- Structured Cabling & Network Connection Layout
- Marked Blueprint & Floor Plans
- Fixture Cut Sheets & Control System Wiring Diagrams
- Customized Fixture Schedule & Specifications
- Assistance in Electrical Walkthrough
- Easy Reference Lightbulb Replacement Guide
